## MARVEL BRINGS THE PARTY OUTDOORS

*The Outdoor Series expands with two new products for even more entertaining options*

RICHMOND, Ind.—A 24-inch-wide refrigerator and combination ice machine and beverage center join the armada of Marvel Outdoor Series products that bring the superb performance, luxury and convenience of Marvel built-in and freestanding undercounter refrigeration to the great outdoors. Designed to weather the elements, Marvel's Outdoor Series is an integral part of the increasingly popular outdoor kitchen—a natural gathering spot during warm-weather months that affords homeowners increased entertaining time without frequent trips to the house.

"The outdoor kitchen is the newest must-have for homeowners who love to entertain," said Gerry Reda, senior vice president of sales for the Aga Group Companies. "These additions to the already popular Outdoor Series will offer more options for a better equipped outdoor entertaining space."

Products in this top-of-the-line collection feature 304-grade stainless steel cabinets that provide superb impact- and corrosion-resistance. These professional-style models feature full-wrap doors for clean, modern lines. Other features include automatic defrost, precise temperature and humidity control and a whisper-quiet compressor with forced-air ventilation. All units are UL listed suitable for outdoor use.

A complete offering of sizes and options is available. Products in the Outdoor Series include:

New Additions:

- 24-Inch-Wide Refrigerator (Model 6ORGD-SS-F) Store more in this refrigerator that features two tempered glass shelves that accommodate large party items, like an 18-inch hors d'oeuvre tray. A Marvel exclusive, a section of the top shelf conveniently flips up for vertical storage for 2-liter and opened wine bottles. Stores up to 200 12-oz. beverage cans. Can be built-in or freestanding with casters for portability.
- 24-Inch-Wide Ice Machine and Beverage Center (Model 60CiM-SS-F) All the components you need to create a refreshing beverage in one unit, this combination model features two separate compartments for ice production and refrigeration. The ice compartment can produce up to 2 lbs of clear, crescent-shaped ice per day and store 5 lbs, with additional storage for frosted glasses. The accommodating beverage section offers 3.3 cu.ft. of storage space with a center shelf and three additional door shelves for increased storage capacity.

#### Seasoned Favorites:

- 15-Inch-Wide Clear Ice Machine (Model 3OiM-SS-F) Producing up to 35 pounds of crystal-clear ice per day, this model can store the entire load in a convenient ice bin.
- 15-Inch-Wide Refrigerator (Model 3OAR-SS-F) Ideal for small spaces, this unit features three adjustable chrome-plated wire shelves and three door shelves that provide a multitude of convenient storage combinations.
- 24-Inch-Wide Refrigerator (Model 6OAR-SS-F) This model features two tempered glass shelves ideal for storing beverages, side dishes and even 18-inch deli trays. Door shelves hold condiments, mixers, marinades and more. Can be built-in or freestanding with casters for portability.
- 24-Inch-Wide Two-Zone Beverage & Wine Refrigerator (Model 6OBAR-SS-F) This dual temperature zone refrigerator accommodates up to 14 wine bottles and 133 12 oz. beverage cans. A Marvel exclusive, a section of the top shelf conveniently flips up for vertical storage for 2-liter and opened wine bottles. Can be built-in or freestanding with casters for portability.
- Draft Beer Dispenser (Model 6OHK-SS-F) This unit holds both half- and quarter kegs and includes a draft tower, CO<sub>2</sub> tank and regulator, drip tray, hoses and an interior floor shield. Optional features include mug railing and built-in drain kit. Can be built-in or freestanding with casters for portability.
- Deluxe Draft Beer Dispenser (Model 6OHK-SSX-F) This model boasts a built-in mug railing and drain kit. It holds half- and quarter kegs and includes a draft tower, CO<sub>2</sub> tank and regulator, drip tray, hoses and an interior floor shield. Can be built-in or freestanding with casters for portability.
- Outdoor Bar Caddy (Models 3BCS, 6BCS and 9BCS) Ideal for outdoor gatherings, these portable caddies feature easy-to-roll wheels, a stainless steel cabinet with refrigerated chambers for cold storage, 2-5 bottle wells (depending on the model) and a DuPont™ Corian® bar top work space with Corian® mug railing, insulated ice chest and stainless steel condiment holders. Available in three sizes.
